THE PROBLEM

Politicians continue to kick the can down the road on infrastructure funding. Arizona's infrastructure continues to deteriorate, making roads and highways less safe for Arizona families.

THE SOLUTION

- ✓ Adequately fund transportation in the future

*HURF funding is dedicated to improving the safety and efficiency of Arizona roads and highways

HOW YOU CAN HELP

- Donate to the AZAGC PAC
- Contact your legislators and ask them to stop raiding the HURF
- Tell your friends and colleagues about AZAGC's efforts

“ Infrastructure is another key consideration for attracting and retaining the jobs Arizona wants. Transportation and data transfer infrastructure are especially important.”
