Yes

PAGE 4: Policy Questions

Q12: What are the greatest challenges for Arizona over the next two to four years?

Arizona needs an education system that prepares graduates for the employment and educational opportunities of the future.

The gap between student skills and business needs is evident. We need to close the gap to provide business of the future with what is needed to become global players. It will help create more job opportunities over the next few years.

Water is also a major issue.

Transportation.

Q13: What would you do to overcome these challenges?

Fund Education!

Incorporate smart growth technology into our water infrastructure.

High speed rail connecting Phoenix and Tucson.

Q14: Do you understand the relationship between infrastructure and the economy? Please explain.

infrastructure spending in construction leads
to increased economic activity in the whole economy.

Q15: Do you support or oppose government spending for the purposes of investment in public infrastructure (e.g., transportation, water resources, water infrastructure, public facilities, state/local buildings, etc.)?

Support

AZAGC 2014 Candidate Survey
