Q8: Have you ever been elected or appointed to public office at the local, state or federal level? No

Q9: If elected, and you are running for the Arizona Legislature or United States Congress, which committees would you most like to serve (in order of preference) and why?

Human Services - Our individual success is dependent on public investments in shared services that address inequality gaps. On the Human Services committee I am able to advocate for Child Care Subsidies so that our working families are able to meet their employment responsibilities as well as their family responsibilities in an attempt to also address the surge in Child Welfare complaints because of neglect.
